

Black History Month 2026: Honouring Our Communities

October is Black History Month, a time to celebrate the achievements, contributions and experiences of Black people across the UK. This year's national theme is "Honouring Our Communities", recognising the individuals, volunteers, carers, teachers, leaders and community champions whose dedication helps strengthen and support communities every day.

At Waltham Forest Housing Association (WFHA), we are proud to be an anti-racist organisation with zero tolerance for discrimination. We are committed to promoting equality, celebrating diversity and creating an inclusive environment where everyone feels valued, respected and able to thrive.

We encourage our tenants, colleagues and partners to take this opportunity to learn more about Black history, culture and the important contributions that Black communities continue to make to society today.

To find out more about this year's theme and events taking place across the country, visit the Black History Month UK website: [Black History Month UK](https://blackhistorymonth.org.uk)

You can also discover local events and activities taking place in the borough through the London Borough of Waltham Forest and local Black History Month listings: [Waltham Forest Black History Month Events](#) and [London Borough of Waltham Forest Events](#)

Throughout this fantastic month, we encourage everyone to celebrate diversity, learn from each other's experiences and recognise the positive impact that different cultures and communities have on our society. Together, we can continue to build communities where everyone feels they belong.

Happy Black History Month from everyone at WFHA!
